So i wake up
and i dont make up
we are apart inside
but together on the outside
so whats it going to be
its abit hit and miss
do we want to hit or miss
its up to you
i dont care i just want you

Anything Will do apart from
heartbreak Anything will do
apart from tears and hate
Anything Will do apart from heartbreak yeah yeah
Anything Will Do Anything Will Do
All i need it you

We are still here, not knowing what to do, do we still
love, do we still care
are we broken i dont know
i just need to know the truth
the truth hurts sometimes
but sometimes we need to move on has the love curse
hit us
has our hearts broken in too?
heartbreak is the word
has i feel empty. I can see in your eyes that your lost
but love comes at a cost
Anything Will do apart from
heartbreak Anything will do
apart from tears and hate
Anything Will do apart from heartbreak yeah yeah
Anything Will Do Anything Will Do
All i need it you

Anything Will do apart from
heartbreak Anything will do
apart from tears and hate
Anything Will do apart from heartbreak yeah yeah
Anything Will Do Anything Will Do
All i need it you

Anything yeah yeah Anything Will Do Anything will do
apart from heartbreak and hate has the love curse hit
us
please we need to get cured
do you know what love is?

Anything Will do apart from
heartbreak Anything will do
apart from tears and hate
Anything Will do apart from heartbreak yeah yeah
Anything Will Do Anything Will Do
All i need it you
