I hear your voice
Little boy, little boy
When I'm alone in these walls
Hide and seek touch
You run around, you hunt me down
I can't forget you're here

I see you in the hall
Hear you on the floorboards
Ticked at your lost lullaby
I feel you in my dreams
Senses of a psychic
Blow me your cold kiss
God bless that lost little boy

Sound of guitars
Through the doors, minor chords
Unfinished symphony
I'll keep the light on
Til you got what you want
Your heart is haunting me

I see you in the hall
Hear you on the floorboards
Ticked at your lost lullaby
I feel you in my dreams
Senses of a psychic
Blow me your cold kiss
God bless that lost little boy

I see you at the door
Hear you like an old flame
Lost little boy
I fly you in the air
Slide you down a stair case
Sad face

I see you in the hall
Hear you on the floorboards
Ticked at your lost lullaby
I feel you in my dreams

Senses of a psychic
Blow me your cold kiss
God bless that lost little boy

I hear your voice
Little boy, little boy
When I'm alone in these walls
