I had you for just a little while.
While you had me wonderin' what went wrong.
You left me without a real good reason why.
And made my life every heartache song.

Chorus:

Where did you go?
Who were you with?
Why did you leave?
You act as if breaking up is really no big deal.
You had the chance for love to grow.
I gave you my heart, but you let it go.
Now all you are since the day you made the call is a
memory
And a face in the frame on the wall.

Best of times was how I thought of us.
What did I do to make you give it up?
Could I have done a little less or more?
To keep you from walking through another door.

Chorus:

Where did you go?
Who were you with?
Why did you leave?
You act as if breaking up is really no big deal.
You had the chance for love to grow.
I gave you my heart, but you let it go.
Now all you are since the day you made the call is a
memory
And a face in the frame on the wall.

Bridge:

I stayed awake all night.
Trying to dream of you.
Now I can see my dream is not with you.

Now that you're gone
Whoever you're with
I'm glad that you are
It gives me this one chance to find one true love.

I have a chance for love to grow.
I'll give her my heart cause' you let it go.

Now all you are
Since the day you made the call
Is a memory
And a face in the frame on the wall.

Now all you are
Since the day you made the call
Is a memory
And a face in the frame on the wall.
