Verse 1:

Like darkness and shadows
I walked along on these streets
Desperate for feelings, numbness can sue me.
Got along, didn't break the sadness in my soul.

Chorus:

It took an angel
A gift from the Father and the Son.
Kisses from heaven, telling me you are the one.
It took an angel
Lining her way into my life.
Blessings of heaven, touching my soul like candlelight,
It took an angel.

Verse 2:

Alone with no reason
But then my heart had long left me.
Empty and hollow
Some things are meant to be.
Got along, didn't break the sadness in my soul.

Chorus:

It took an angel
A gift from the Father and the Son.
Kisses from heaven, telling me you are the one.
It took an angel
Lining her way into my life.
Blessings from heaven, touching my soul like
candlelight,
It took an angel.

Bridge:

The beauty of the gift from above,
Is having you with me.
And I know why

There's no more nights,
Dark, and cold, and lonely.

Chorus:

It was an angel
A gift from the Father and the Son.
Kisses from heaven, telling me you are the one.
It took an angel
Lining her way into my life.
Blessings of heaven, touching my soul like candlelight,
It took an angel

It was an angel,
You were that angel,
You were my angel,
It took an angel.
