It took so long you know
Tryin to get to know you
And I came along
You turned and walked away

I was all ready to talk talk to you
Knew exactly know what I had to say
So why did you smile at me only yesterday
And showed me only your indifference today

Wake up wake up and feel the grass
Moody blues are gone they're gonna pass
Wake up wake up and feel the grass
Moody blues are gonna pass
They're gonna pass Oh
Oh nar n nar
Oh n nar na na na
Oh nar n nar

Suppose you're just my fantasy
One it's got no right to be!
You don't speak to me or know my name

I'm standing here right on fringe (right on the fringe)
Like some kind of stranger looking in

So why did you smile at me only yesterday
And show me only your indifference today
Wake up wake up and feel the grass
Moody blues are gonna they're gonna pass
Wake up wake up and feel the grass
Moody blues are gone they're gonna pass Oh
Oh nar n nar
Oh n nar na na na
Oh nar n nar n nar na na na

Wake up wake up and feel the grass Oh...
Moody blues are gonna They're gonna pass Oh...
Wake up wake up Wake up wake up
Moody blues are gonna they're gonna pass Oh...
