Hush hush secret
Your secret's safe with me
Hush hush keep it
Under lock and key
I'll need you for love

Cuz I shiver
When you brush my lips
And deliver
You were made for this
I know I should go

All my wicked heart
It's out of turn for you
God know how she starts
It's bad to feel this good

Who's gonna get the feeling
Who now? Here it come again
Who's gonna get the keeping
Who buy? Here it come again

Big gun, small drum
The beating of my chest
Slow touch, fast time
I've seen the gems all red
I just can't be sold

All my wicked heart
It's out of turn for you
God know how she starts
It's bad to feel this good

Whoop gonna get the feeling
Whoopa? Here it come again

Who's gonna get the keeping
Who buy? Here it come again

Lie, lie lie lie, lie lie lie, lie lie lie lie-lie, lie
lie
Lie, lie lie lie, lie lie lie, lie lie lie, lie lie lie

Look at you and me honeybee, now whoopsie daisy
Look at you and me honeybee, ow whoopsie daisy

All my wicked heart
It's out of turn for you
God know how she starts
It's bad to feel this good

Who's gonna get the feeling
Who now? Here it come again
Who's gonna get the keeping
Who buy? Here it come again

All my wicked heart
It's out of turn for you
God know how she starts
It's bad to feel this good

Who's gonna get the feeling
Who now? Here it come again
Who's gonna get the keeping
Who buy? Here it come again
