Another morning, can't decide what to wear
I just spent hours, workin' on my hair
Now where'd I put my keys I can't find them anywhere
So I head for the bus and it starts to pour (sigh)
But I really don't care
About the puddle, splashing on my suit
About the heel I just lost off my favourite pair of boots
Late again and I'll probably lose my job
But I really don't care

Chorus:

I must be crazy, out of my mind
Nothing seems to matter, this must be a sign
That I'm way in, head over heels
Blowin' kisses to the heavens above
I'm crazy in love

Later that evening, finally found my keys
I hit the highway, hair blowing in the breeze
Red lights in my view mirror, quickly getting nearer
So I pull off to the shoulder and I wait (sigh)
But I really don't care about the ticket,
First vacation in 8 years, looks like I missed it,
Guess I'll only get to hear about the weather
When the girls get back together
But I really don't care

Chorus:

I must be crazy, out of my mind
Nothing seems to matter, this must be a sign
That I'm way in, head over heels
Blowin' kisses to the heavens above
I'm crazy in love

Crazy, in love... Oh I'm cra-ay-zay, crazy in love
Can't seem to concentrate,
I just can't hardly wait
'Til I can hold you in these arms again
My lips anticipate
You kissing me that way
Cause when you do

You know it drives me crazy
Outta my mind
Nothing seems to matter

Chorus:

Cause I'm crazy, out of my mind
Nothing seems to matter, this must be a sign
That I'm way in, head over heels
Blowin' kisses to the heavens above
I'm crazy in love
When it comes to you
I can't get enough
Cause I'm crazy in love
