You know that place we both keep dreamin' about  
Well I saw today before the sun goes down  
Baby, you and me are gettin' there  
We got miles up ahead, no time to waist  
Let's not let one thing stand in our way  
Baby, you and me are gettin' there

Chorus:

With our sunglasses on and a full tank of gas  
We'll roll down that highway, not bother lookin' back  
Well on our way, to that perfect place  
Only two hearts in love shared  
Baby, you and me are gettin' there

I've heard once in this life you find something real  
And that moment their soul can feel what you feel  
Baby, you and me are gettin' there

Chorus:

With our sunglasses on and a full tank of gas  
We'll roll down that highway, not bother lookin' back  
Well on our way, to that perfect place  
Only two hearts in love shared  
Baby, you and me are gettin' there

I know years from now, you'll be right next to me  
When we sell the house, and buy and RV  
With sunglasses on and a full tank of gas  
We'll roll down that highway not bother lookin' back  
Well on our way to that perfect place  
Only two hearts in love shared  
I said only two hearts in love shared  
Baby, you and me are gettin' there

Spoken: Got your bags packed baby? Let's get outta  
this town

Sunglasses on, full tank of gas  
Roll down that highway and never look back

Hmm Hmm
