Why are ya sittin' on that sofa?  
Why are ya half a room away?  
Why don't we get a little closer, baby  
We never used to be this way  
Love used to drive us both insane  
When did it all get so much milder tell me  
When did we both become so tame?

Chorus:

I miss us  
I miss the other us  
Not this us  
I miss the kiss that made us reckless  
And the love that left us breathless  
I miss you  
Darlin' I just can't begin to  
Figure out who we've turned into  
Oh, I still love you so  
And you love me I know  
I miss us

I wanna hold you like I used to  
And make it feel like you did then  
I wanna feel your eyes of passion baby  
And make ya fall in love again  
I wanna make you remember  
How I could take you to the hots  
Where is the man who was crazy for me  
Where is the woman he held tight

Chorus:

I miss us  
I miss the other us  
Not this us  
I miss the kiss that made us reckless  
And the love that left us breathless  
I miss you  
Darlin' I just can't begin to  
Figure out who we've turned into  
Oh, I still love you so  
And you love me I know

Darlin' I miss us

Chorus:

I miss us

I miss the other us

Not this us

I miss the kiss that made us reckless

And the love that left us breathless

I miss you

Darlin' I just can't begin to

Figure out who we've turned into

Oh, I still love you so

And you love me I know

I miss us

Oh yes I do

Oh I miss us

Oh me and you
