I wanna learn from my mistakes
I wanna give back what I take
I wanna be there for my friends
I wanna always make amends
I wanna live like that
I wanna laugh right out loud
I wanna make my mama proud
I wanna have the strength to cry
I wanna always wonder why
I wanna live like that

Chorus:

I wanna love that way I don't wanna be afraid
Open up my heart cherish everyday
With every breath I take
I wanna live like that

I wanna be heard when I pray
I wanna slow dance in the rain
I wanna love be loved back
Lose my way without a map
I wanna live like that
I wanna walk where things grow wild
I wanna see my baby smile
I wanna grow up gracefully
Count the shells beside the sea
I wanna live like that

Chorus:

I wanna love that way I don't wanna be afraid
Open up my heart cherish everyday
With every breath I take
Oh, I wanna live like that

Chorus:

I wanna love that way I don't wanna be afraid
Open up my heart cherish everyday
With every breath I take
I wanna live like that

With every breath I take

I wanna live like that

I wanna live my life that way
