I don't need your number on a napkin or a cheap pick
up line
Don't brag about how much you make
Cause that's a waste of my time
Can't believe how some guys don't have a clue
I'm tired of playing those games
Whatcha need to do is

Chorus:

Make me laugh
Make me love
Learnin' everything about you
Where your hearts comin' from
Might make me wrap my arms around you
Don't try to be someone your not
Cause I hate that and I mean a lot
The bottom line is just be real
And on top of that
Make me laugh

I can see right through it
Your cute smile so don't think I can't tell
If your hiding something I don't want
Then I won't buy what's for sale
Trust me I'm not impressed
With big boy attitude
You might as well save your breath
If your not willing to

Chorus:

Make me laugh
Make me love
Learnin' everything about you
Where your hearts comin' from
Might make me wrap my arms around you
Don't try to be someone your not
Cause I hate that and I mean a lot
The bottom line is just be real
And on top of that
Make me laugh

I can't believe how some guys never get a clue
I'm tired of all those games
Tell me why can't you

Chorus:

Make me laugh
Make me love
Learnin' everything about you
Where your hearts comin' from
Might make me wrap my arms around you
Don't try to be someone your not
Cause I hate that and I mean a lot
The bottom line is just be real
And on top of that
Make me laugh

Oh make me laugh
Yeah
Oh Oh Oh Oh Oh Oh
