There are many things that I would like to say to you
But I don't have the words in my head
Days are passing by and all the leaves are changing
too
But time won't change the things unsaid

'Cause everything is different now
I'd really like to tell you how

How I wanted you here by my side
I know what I said but I lied
It looked like a laugh but I cried
Oh, I wish I could push rewind

Oh, stupid pride it just can't hide the holes inside my
heart
'Cause I need you here with me
Oh, I wish that I could take it back, I'd go back to the
start
And tell you all the things that I feel

'Cause everything is different now
I'd really like to tell you how

How I wanted you here by my side

I know what I said but I lied
It looked like a laugh but I cried
'Cause I wish I could push rewind

I saw you on the corner holding hands with someone
new
Happy as a boy could be
Love was in your eyes and yeah she looked the same
way too
It's funny that was almost me

Now I wanna be there by your side
I know what I said but I lied
I wanted to laugh but I cried
'Cause it's too late to push rewind

Oh no, oh no, no, no, no
No, no, no, no, no
I know what I said but I lied
Oh no, oh no, now I cried

Just too late, too late, too late, too late, too late
Oh no, it's just too late, too late, too late, too late
I can't push rewind, oh no, no
It's too late
