You've been acting funny lately,
What's up with you
You clam up or you just talk crazy,
Flippin' mood to mood
If you think that I don't care,
you're missing something
If you think there's nothing there,
you're wrong.

[Chorus]

It's all in your mind,
Psyching you out,
feeding you lines
Your heart must be blind
If you can't see the light in my eyes
You can't look inside me,
but if you could you'd find
it's all in your mind

There's nothing wrong
with second guessing,
or being sensitive
I love you,
I'm confessing
if I forget to mention it
If you think that's how it is
that my hearts not here with you
And I've nothing more to give,
well I do

[Chorus]

It's all in your mind,
Psyching you out,
feeding you lines
Your heart must be blind
If you can't see the light in my eyes
You can't look inside me,
but if you could you'd find
it's all in your mind

Imagination, is taking you there.

[Chorus]

It's all in your mind,
Psyching you out,
feeding you lines
Your heart must be blind
If you can't see the light in my eyes
You can't look inside me,
but if you could you'd find
it's all in your mind
