I grew up in a nickel town
My first kiss is a slag boat down
He was everything that a girl could want
Or so I thought back then
With my last check and an old suitcase
Left before graduation day
I was followin' dreams I had
Got me where I am

Chorus:

I pick my path
And I won't go back
But there's another me
Walkin' through life
Down another road of reality
Hand in hand with the little ones
Rollin' with whatever comes
It's not my destiny
Oh, that's another me
Oh, no, whoa, that's another me
Whoa yeah yeah that's another me

God bless that nickel town
And the woman I'd been if I hung around
I'd a married him had a family
But I guess I'll never know

Chorus:

I pick my path
And I won't go back
But there's another me
Walkin' through life
Down another road of reality
Hand in hand with the little ones
Rollin' with whatever comes
It's not my destiny
Oh, that's another me
Oh, no, whoa, that's another me
Whoa yeah yeah that's another me

Could've been me
What if it was

Really doesn't matter now because

I picked my path
But there's another me
Walkin' through life
Down another road of reality
Hand in hand with the little ones
Rollin' with whatever comes
It's not my destiny
Oh that's another me
Whoa no oh that's another me
Whoa no oh wasn't meant to be
Whoa no oh that's another me
Whoa no oh wasn't meant to be
