Life isn't easy, it has a way of beating you down
But good fortune will be yours soon
And turn everything around
You've got to take life one day at a time
Behind every wall you climb you'll find...

Chorus:

Pennies from heaven
Diamonds in the rough
Silver in the lining
And stars to wish upon
At the end of the rainbow
You'll find a heart of gold
And if you search hard enough you'll find
Pennies from heaven

It's never easy to keep believing in your dreams
But beyond some horizon
One day your spirit will break free
You have to learn to keep an open mind
Just keep on psuhin' and you'll find

Chorus:

Pennies from heaven
Diamonds in the rough
Silver in the lining
And stars to wish upon
At the end of the rainbow
You'll find a heart of gold
And if you search hard enough you'll find
Pennies from heaven

Though skies may be stormy
But sure the sun is gonna shine
With a little hope and belief know you will find

Chorus:

Pennies from heaven
Diamonds in the rough
Silver in the lining
And stars to wish upon
At the end of the rainbow

You'll find a heart of gold
And if you search hard enough you'll find
Pennies from heaven

Gonna find, gonna find one true love
Gonne find one true love (out)
