Day after day
Time passed and I just can't get you off my mind
Nobdy knopw I hide it inside
I keep on serching but I can't find

The courage to show to letting you know
I've never felt so much love before

Pre-chorus:

But once again I'm thinking about
Taking the easy way out

Chorus:
But if I let you go
I will never know
What my life could holiding you close to me
Will I ver see your smiling back at me?
How will I Know If I let you go?

Night after night I hear myself say
Why can't this feeling just fade away
I'm too proud to ask I'm too proud to loose
but sooner or later
I've got to choose

(Repeat Pre-chorus and Chorus)

(Repeat Pre-chorus as Coda)

(Repeat Chorus till it fade)
