Hello world there's a song that we're singing  
No  
Come on  
Come on get happy  
A whole lotta lovin' is what we'll be bringing  
We'll make you happy

We had a dream we'd be travelin' together  
Spread a little lovin', then we keep moving on  
Something always happens whenever we're together  
We get a happy feeling when we're singing a song

Hello world there's a song that we're singing  
Come on get happy  
A whole lotta lovin' is what we'll be bringing

We'll make you happy  
We'll make you happy  
We'll make you happy
