For all we know
We may never meet again
But before you go
Make this moment sweet again

We won't say, "Good night"
Until the last minute
I'll hold out my hand
And my heart will be in it

For all we know
This may only be a dream
We come and we go
Like the ripples of a stream

So love me tonight
Tomorrow was made for some
Tomorrow may never ever
Ever ever ever come for all we know

For all we know
This may only be a dream
We come and we go
Like the ripples of a stream

So love me tonight
Tomorrow was made for some
Tomorrow may never come
For all we know
