Look at me I
And I feel like I
I can
I get misty just holding your hand
Walk my way
And a thousand violins begin to play
Or it could be the sound of your hello
That music I hear
I get misty the moment you
You can see that you
But it
Don
That
On my own
Should I wander through this wonderland alone
Never knowing my right foot from my left
My hat from my glove
I
And it
Don
That
Oh on my own
Could I wander through this wonderland alone
Never knowing my right foot from my left
My hat from my glove
I
I
Look at me
