Mmm Mmm Mmm
Come on buzz me up to heaven baby
Mmm Mmm Mmm
Come on buzz me up to heaven

I've been missing you I should be kissing you
Honey to the bee that's you for me
I wouldn't tell a lie got a love I can't deny
Honey to the bee that's you for me
Honey to the bee that's you for me
Honey to the bee

I close my eyes and I see you clear
It feels like you're lying here
All the things I want to say come and go
Easy as the breeze those words just flow
I float on air light as any feather
Your love so sweet like an open flower
I'm dizzy from the time we spent together
I need that honey drip every hour

I'm thinking about your sugar lips
Got a feeling for you now that's so strong
I'm dreaming of the candy in your fingertips
Baby don't stay away from me too long

I've been missing you I should be kissing you
Honey to the bee that's you for me
I wouldn't tell a lie got a love I can't deny
Honey to the bee that's you for me
Honey to the bee that's you for me
Honey to the bee

Mmm Mmm Mmm
Come on buzz me up to heaven baby
Mmm Mmm Mmm
Come on buzz me up to heaven baby

You make me smile though you're far away
I hear your voice like it was yesterday
All the things you do they make me feel so fine

I wanna tell the world about a love that's mine
These wings to fly are gonna last forever
Cos one by one my dreams come true
And I touch the sky whenever we're together
I can't believe the joy I get with you

I'm thinking about your sugar lips
Got a feeling for you now that's so strong
I'm dreaming of the candy in your fingertips
Baby don't stay away from me too long

I've been missing you I should be kissing you
Honey to the bee that's you for me
I wouldn't tell a lie got a love I can't deny
Honey to the bee that's you for me

I've been missing you I should be kissing you
Honey to the bee that's you for me
I wouldn't tell a lie got a love I can't deny
Honey to the bee that's you for me
Honey to the bee that's you for me
Honey to the bee come on and buzz me

(Heaven) you're the only one who can get me there
(Heaven) when you gonna hear my prayer, yeah?
(Heaven) you're the only one who can get me there
(Heaven) when you gonna hear my prayer, year?

I'm thinking about your sugar lips
Got a feeling for you now that's so strong
Got me dreaming of the candy in your fingertips
Baby baby don't stay away too long

I've been missing you I really should be kissing you
Honey to the bee that's you for me
I wouldn't tell a lie got a love I can't deny
Honey to the bee that's you for me
Honey to the bee that's you for me
Honey to the bee

Honey to the bee that's you for me
Honey to the bee that's you for me
Yeah, you for me
