Na na na na na
Na na na na na

Na na na na na
Na na na na na

Sitting at home in my own world
On the phone to my best girls
Hear us ringing it we're really swinging it
What are we doing oh
If you wanna get a new groove
We can show you all the right moves
We're really swinging it ring a dinging it
What are we doing

Baby baby can I have your number
Maybe maybe we can get together
You're really gonna flip
When you make a trip
And get yourself connected
Everybody

Having a party on the phone oh yeah yeah
Never any need to be alone oh yeah yeah
You can dial the number anytime day or night
Everybody swinging on the party line
So get ringing it

Na na na na na party on the phone
Na na na na na we're really singing it
Na na na na na party on the phone
Na na na na na come on come on come on

If you're feeling lonely in a strange town
Your one and only isn't around
Get into overdrive come and check the vibe
And satisfy your soul
If you wanna new direction
You can dance with your reflection

You'll soon be digging it and really living it
Totally in control

Baby baby can I have your number
Maybe maybe we can get together
You're really gonna flip
When you make a trip
And get yourself connected
Everybody

Having a party on the phone oh yeah yeah
Never any need to be alone oh yeah yeah
You can dial the number anytime day or night
Everybody swinging on the party line
So get ringing it

Na na na na na party on the phone

You can thrill you can chill
You can do what you will
Ain't nothing we don't know
'cos we generate the flow
Celebrate and elevate
Let the revolution start
Right here right now right here right now

Baby baby can I have your number
Maybe maybe we can get together
You're really gonna flip
When you make a trip
And get yourself connected
Everybody

Having a party on the phone oh yeah yeah
Never any need to be alone oh yeah yeah
You can dial the number anytime day or night
Everybody swinging on the party line
So get ringing it
