I love a girl, said Ruby is her name
Now, she don't love me
But I love her just the same

Oh, Ruby, Ruby, I want you
Like a ghost, I'm gonna haunt you
Ruby, Ruby, Ruby will you be mine
All the time

Each time I see you
Baby, my heart cries
(Ruby, Ruby, Ruby, baby)
I'm gonna steal you away
From all those guys
(Ruby, Ruby, Ruby, baby)

Whoa, oh, from the happy day I met you
I made a bet that I was gonna get ya
Ruby, Ruby, Rubym will you be mine
All the time now

Hey, hey, hey, hey
Hey, hey, Ruby, baby...

Now I love a girl
I said Ruby is her name
Well, she looks at me
She just sets my soul aflame

Whoa, oh, got some hugs and kisses too
And I'm gonna give them all to you
Ruby, Ruby, Ruby, will you be mine

(Ruby, Ruby, Ruby, baby)
(Ruby, Ruby, Ruby, baby)
(Ruby, Ruby, Ruby, baby)...
