All caught up in love
Lost hopelessly lost
Caught up in love

In an empty painted room
In a window box for two
I spend the lonely days
Hoping you'll come back to stay

And thought the cloudy haze
Of smoke and romance
Hope got in my eyes
Love had played me
Left and made me into nothing at all.

Cause I got all caught up in love
I sold my heart all because
Thought I never wanted too
Love convinced me to change my attitude

And I'm living only to say I'm lonely
All because of you

This feeling is never ending
Wanting for you
Knowing it's no use

My broken heart won't be mending
Long as you stay so far away
I'll still be the same
Cause...

(Musical interlude)

So, a writer has his pen
A dog his master
Actors have their lines

But I have nothing
Left of something that I thought was all mine

Cause I got all caught up in love

I sold my heart all because
Ohhh baby
