"[Karrin Allyson]  
If you want a man you can love  
and be his one and only

[Deedles Schuur]  
If you want a man who will be there  
and always will

K: If this is who you're looking for  
D: The prince who's going to show up  
at your door

Both: Whatever you do,  
Stay away from Bill

[Horn & piano interlude]

D: Stay away from Bill, he's a beast  
and you'll always be lonely

K: He won't ever call, and he'll run  
when he's had his fill

D: He'll put you on a pedestal

K: That's right before he puts you  
through the mill

Both: Whatever you do,  
Stay away from Bill

Both: If you're wonderin' if there's any good in him  
When it comes to Bill, the answer's no

He'll lie and deceive you  
He'll love you and leave you  
and ohhhhhh.....

D: You'll be miserable

K: So stay away from Bill  
'Cause he's bad, and he's nothin' but trouble

D: [He's nothin' but trouble]

K: Stay away from Bill

D: [counterpoint] Stay away from Bill

K: If you do

Both: And you're gonna be fiiiiiiine.....

D: He'll have you and hurt you  
and then he will desert you

K: He'll shock you and shake you  
He'll rock you and he'll break you

Both: He'll chill you and thrill you  
He'll kill you, then he'll bill you

Stay--a-way--from--Bill  
That--boy--is--miiiiiiine

D: That boy is mine

K: No, that boy is mine

D: Did you hear me, girlfriend?  
That boy is mine

K: I heard you loud and clear  
That boy is mine

D: No he's not, no he's not

K: [humming]

D: I'll tell you one more time, girlfriend,  
He's mine

D: [humming]

K: Deedles, that boy is mine

D: Karryn, that boy is mine

[Karryn - scatting]

[Deedles - scatting]

K: Stay away from Bill

D: Stay away from Bill"
