Day after day  
Time passed away  
And I just can't get you off my mind  
Nobody knows I hide it inside  
I keep on searching but I can't find

The courage to show to letting you know  
I've never felt so much love before  
And once again I'm thinking about  
Taking the easy way out

But if I let you go I will never know  
What my life would be holding you close to me  
Will I ever see you smiling back at me?  
How will I know  
If I let you go?

Night after night I hear myself say  
Why can't this feeling just fade away  
There's no one like you (no one like you)  
You speak to my heart (speak to my heart)  
It's such a shame we're worlds apart

I'm too shy to ask I'm too proud to lose  
But sooner or later I gotta choose  
And once again I'm thinking about  
Taking the easy way out

But if I let you go I will never know  
What my life would be holding you close to me  
Will I ever see you smiling back at me? (oh yeah)  
How will I know  
If I let you go?  
If I let you go?  
Uuu Baby

Once again I'm thinking about  
Taking the easy way out

But if I let you go I will never know  
What my life would be holding you close to me  
Will I ever see you smiling back at me? (oh yeah)

How will I know  
But if I let you go I will never know  
What my life would be holding you close to me  
Will I ever see you smiling back at me? (oh yeah)  
How will I know  
If I let you go?
