[I]

You know our love was meant to be
The kind of love that lasts forever
And I want you here with me,
From tonight until the end of time

You should know, everywhere I go
You're always on my mind,
In my heart, in my soul, baby...

[CHORUS]

You're the meaning in my life
You're the inspiration,
You bring feelin' to my life
You're the inspiration,
Wanna have you near me
I wanna let you hear me sayin'
No one needs you more than I need you

[II]

(And I know) yes, I know that it's plain to see
We're so in love when we're together
I know I need you here with me
From tonight until the end of time

You should know, everywhere I go
You're always on my mind, in my heart
In my soul, baby...

(Repeat Chorus except last line)

No one needs you more than I
No one needs you more than I

Wanna have you near me
I wanna let you hear me sayin'
No one needs you more than I need you...

(Repeat Chorus)
