"How High The Moon"

Somewhere there's music, how faint the tune
Somewhere there's heaven, how high the moon
There is no moon above when love is far away too
Until it comes true that you love me as I love you

Somewhere there's music, it's where you are
Somewhere there's heaven, how near, how far
The darkest night would shine if you would come to me
soon
Until you will, still my heart, how high the moon

Somewhere there's music, how faint the tune
Somewhere there's heaven, how high the moon
There is no moon above when love is far away too
Until it comes true that you love me as I love you

Somewhere there's music, it's where you are
Somewhere there's heaven, how near, how far
The darkest night would shine if you would come to me
soon
Until you will, still my heart, how high the moon

Somewhere there's music, how faint the tune
Somewhere there's heaven, how high the moon?
There is no moon above when love is far away too
Until it comes true that you love me as I love you

Somewhere there's music, it's where you are
Somewhere there's heaven, how near, how far
The darkest night would shine if you would come to me
soon
Until you will, still my heart, how high the moon

Somewhere there's music, how faint the tune
Somewhere there's heaven, how high the moon
There is no moon above when love is far away too
Until it comes true that you love me as I love you

Somewhere there's music, it's where you are
Somewhere there's heaven, how near, how far
The darkest night would shine if you would come to me
soon

Until you will, still my heart, how high the moon
