Don't you know that I'm all smiles, darling
You'd be too
If you knew, darling
All of my smiles were for you

I'm all chills, darling
Through and through
But my cold hands, darling
Warm to the touch of you

Rain hasn't fallen for days now
But rainbows are filling the skies
My heart must have painted those rainbows
Shining before my eyes

Can't you tell that I'm in love, darling?
Deep and true
With guess who, darling

Someone to live for, beg steal and die for
Eat humble pie for, fly to the sun and moon and sky for
Someone to dance with, laugh with and cry for
And that someone is you

I'm all smiles, darling
You'd be too
If you knew, darling
All of my smiles were for you

I'm all chills, darling
Through and through
But my cold hands, darling
Warm to the touch of you

Rain hasn't fallen for days now
Rainbows are filling the skies
My heart must have painted those rainbows
Shining before my eyes

Can't you tell that I'm in love, darling?
Deep and true
With guess who, darling

Someone to live for, beg steal and die for
Eat humble pie for, fly to the sun and moon and sky for
Someone to dance with, laugh with and cry for
And that someone is you, you

I, I'm all smiles for you
