Nothing's impossible, I have found  
For when my chin is on the ground  
I pick myself up, dust myself off  
And start all over again

Don't lose your confidence if you slip  
Be grateful for a pleasant trip  
And pick yourself up, dust yourself off  
And start all over again

Work like a soul inspired  
'Til the battle of the day is won  
You may be sick and tired  
But you'll be a man, my son

Will you remember the famous men  
Who had to fall to rise again?  
So take a deep breath, pick yourself up  
And start all over again

Work like a soul inspired  
'Til the battle of the day is won  
You may be sick and tired  
But you'll be a man, my son

Will you remember the famous men  
Who had to fall to rise again?  
So take a deep breath, pick yourself up  
And start all over again  
And start all over again
