Be firm, be fair, be sure, beware
On your guard, take care
While there's such temptation

One thing leads to another
Too late to run for cover
He's much too close for comfort now

Be wise, be smart, behave, my heart
Don't upset the cart when he's so close
Be soft, be sweet, but be discreet
Don't go off your feet, he's too close for comfort

Too close, too close for comfort
Please, not again
Too close, too close to know
Just when to say, "When"

Be firm, be fair, be sure, beware
On your guard, take care
While there's such temptation

One thing leads to another
Too late to run for cover
He's much too close for comfort now

Too close, too close for comfort
Please, not again
Too close, too close to know
Just when to say, "When"

Be firm and be fair, be sure, beware
On your guard, take care
While there's such temptation

One thing leads to another
Too late to run for cover
He's much too close for comfort now

One thing leads to another
Too late to run for cover
He's much too close for comfort now
