Ooh, whoa, yeah  
What about us?

If God had a name, what would it be?  
Would you call it to His face  
If You were faced with Him and all His Glory?  
What would you ask if you had just one question?

Yes, yes, God is great  
Yes, yes, God is good  
Yes, yes  
Yeah, yeah, yeah

What if God was one of us?  
Just a slob like some of us  
Just a stranger on a bus  
Trying to make His way home  
Oh no, need to know y'all

If God had a face, what would it look like?  
And would you want to see it  
Seeing meant that you would have to believe  
In things like Heaven and in Jesus  
And the Saints and all these Prophets y'all

Yes, yes God is great  
Yes, yes God is good  
Yes, yes  
Yeah, yeah, yeah

What if God was one of us?  
Just a slob like some of us  
Just a stranger on a bus  
Trying to make His way home

What if God, if He was here  
I'm wondering if he was, you want me  
What if God, if He was one of us  
If He was one of us

Ohh, what if God, if He was here  
I wanna know, I gotta know

I wanna know, I gotta know  
If he was one of us  
God was one of us  
If he was a slob
