It's like  
You're baptizing me with your love

Easy like Sunday morning, like an angel callin'  
He's taking me all in, I'm embracing him with my skin  
Like a pillar of light, like a vision of life and  
He's so perfect that I couldn't picture him if I tried

See some may come, some may go  
But I'll follow you wherever  
You're the perfect mate for my soul  
And I know why  
(I lose control)  
I lose control whenever I'm around you, yeah  
'Cause you've given me

(Your hand)  
And that's more than enough  
(Your glance)  
Is like jumpin' in the river of  
(Jordan)  
Purify me baby  
(When I'm taking your hand)  
And that's more than enough  
(Your glance)  
Is like jumpin' in the river of  
(Jordan)  
Purify me baby, yeah yeah

It's like summer time always  
Like it's sunny out all day whenever you smile  
Sweeter than momma's homemade  
I thought that every man was made the same way  
But in a world of smoke and ashes, oh yeah  
You are milk and honey, yeah

See some may come, some may go  
But fill me up with your love  
You're nourishment to my soul  
And I know why  
(I lose control)  
I lose control whenever I'm around you

'Cause you've given me

(Your hand)  
And that's more than enough  
(Your glance)  
Is like jumpin' in the river of  
(Jordan)  
Purify me baby  
(When I'm taking your hand)  
And that's more than enough  
(Your glance)  
Is like jumpin' in the river of  
(Jordan)  
Purify me baby, yeah

(Your hand)  
And that's more than enough  
(Your glance)  
Is like jumpin' in the river of  
(Jordan)  
Purify me baby  
(When I'm taking your hand)  
And that's more than enough  
(Your glance)  
Is like jumpin' in the river of  
(Jordan)  
Purify me baby, yeah yeah

(Your hand)  
And that's more than enough  
(Your glance)  
Is like jumpin' in the river of  
(Jordan)  
Purify me baby, yeah yeah  
(When I'm taking your hand)  
And that's more than enough  
(Your glance)  
Is like jumpin' in the river of  
(Jordan)  
Purify me baby, yeah yeah

(Your hand)  
And that's more than enough  
(Your glance)  
Is like jumpin' in the river of  
(Jordan)  
Purify me, purify me baby  
(When I'm taking your hand)  
And that's more than enough  
(Your glance)  
Is like jumpin' in the river of

(Jordan)  
Purify me baby, yeah yeah
