"I am alone, hiding.
I am scared, I can hear someone's heartbeat.
It's coming closer.
Is somebody out there?
Hello?"

My friends of slaughter
Noble brothers
Sisters of violence
And fathers of destruction

I enslave you all
You shall not deny me
You must obey
Marching into death with me
Die with me!

This is my gift for you
This is my therapy of hate
This is the poison room
This is your home my friend

Slaves of this kingdom
Entitled to suffer
Victims by change
Deception routine

He who commands
Finds justice in rage
A gamble of moods
Obliged to obey

Prince of darkness
Give life to the lost
King of the dead
Give names to the nameless

This is my gift
This is my therapy
This is the poison
This is your home
