

Diary Of Dreams

"The Cage"

I cannot see when day is night
Disguise my true identity
When all has shattered all is lost
The cage remains my home, now and forever

I run and seek the world for you
but you have gone in silence

Every day is a forgotten stranger
I'll write it down for you
Absurd my life in danger
This face is new to me

No matter what I may have done
No matter what I may have said
I'll let you go

Sad indeed, my world is dying
I wander past some burning trees
When daylight turns into darkness
I stand alone, whisper for help
