I don't wanna call it a day so wont you call me today
And confirm that it's a date. so hey...
Lady it's on, you know there's nothing wrong
In gettin down with a song and a bottle of patron.
Fo sho!...

I'm gonna make this night an occassion to caress you
We gon chill for a sec I know a place where we can rest
too
Your superman to the rescue
Is what I am when I'm with you
As far as I could see,
Tonight... u want it to be just...

Me and you
Teach me a thing or two
Coz I wanna know what it's like
To feel so right... oh baby
I'm thinkin that maybe...
We can rendezvous at the club around 2
(We can) we can rendezvous at the club around 2 (3X)

Ey stop what's that sound, everybody know what's goin
down
Ahh yes aint that fresh, everybody wanna get down like
this.
It's the M-O double B S-T-A double R
Everywhere we go people know who we are.
Who we are is the best there is,
If you don't believe me now listen to this...

I'm gonna make this night an occassion to caress you
We gon chill for a sec I know a place where we can rest
too
Your superman to the rescue
Is what I am when I'm with you
As far as I could see,
Tonight... u want it to be just...

Me and you
Teach me a thing or two
Coz I wanna know what it's like

To feel so right... oh baby
I'm thinkin that maybe...
We can rendezvous at the club around 2
(We can) we can rendezvous at the club around 2 (3X)

Me and you
Teach me a thing or two
Coz I wanna know what it's like
To feel so right... oh baby
I'm thinkin that maybe...
We can rendezvous at the club around 2
(We can) we can rendezvous at the club around 2 (3X)
