Tell me where I  
Came to lose your love  
Tell me what did I do wrong  
Was it only make believe  
Why it lasted, oh, so long

Could it be that  
You found someone new  
Tell me, am I just a memory  
Tell me, please, I have to know  
It means everything to me

I thought our love would never end  
That shows how blind love can be  
Won't you please say you care  
And bring your love back here to me

Tell me where I  
Came to lose your love  
Tell me what did I do wrong  
Was it only make believe  
Why it lasted, oh, so long

Why it lasted, oh, so long  
Why it lasted, oh, so long
