Thou shalt not steal, no, no, no
Thou shalt not steal

That's what the Good Book says
Yeah, yeah, yeah
Thou shalt not steal

Thou shalt not steal, no, no
But somebody is a stealing
You away, yeah, from me

I wonder if he really don't know
(Maybe, maybe, maybe he don't know)
That he'll reap exactly what he sows
(Yeah, he gonna reap just what he sows)

If he don't he'll find out
Someday when, yeah, yeah, yeah
Somebody steals you from him

He'll be crying now
Thou shalt not steal, no, no
Thou shalt not steal

That's what the Good Book says
Yeah, yeah, yeah, yeah
Thou shalt not steal, no, no, no, no
Thou shalt not steal, no, no, no, no
