Chill out - what cha yellin for?
Lay back it's all been done before
And if you could only let it be, you will see

I like you the way you are
When we're drivin in your car
And you're talkin to me one-on-one but cha become

[Bridge]
Somebody else
Round everyone else
Watchin your back like you can't relax
You tryin to be cool
You look like a fool to me
Tell me

[Chorus]
Why did u have to go and make things so complicated?
I see the way you're acting like somebody else and you
make me so frustrated
Life's like this you
You fall and you crawl and you break and you take what
you get
And you turnin into honestly, you promised me
I'm never gonna find you fake it
No No No

You come over unannounced
Dressed up like you're somethin' else
Where you are and where it's at you see
You're makin me
Laugh out when you strike a pose
Take off all your pretty clothes
You know you're not foolin anyone when you become

[Bridge]
Somebody else
Round everyone else
Watchin your back
Like you can't relax
You tryin to be cool

You look like a fool to me
Tell me

[Chorus]

Why did u have to go and make things so complicated?
I see the way you're acting like somebody else and you
make me so frustrated
Life's like this you
You fall and you crawl and you break and you take what
you get
And you turnin into honestly, you promised me
I'm never gonna find you fake it

No no no
(no no no)
No no
(no no no)
No no
(no no no)
No no

[Chorus 2x]
