Nothing to say, nothing to long for  
Nothing to sing, nothing to wait for  
Nothing but love, love of your neighbour  
Nothing, no dove, nothing, no harbour  
Nothing, this is a life of nothing

But a joke, just to make records  
Smoke, to build the town  
And coke, for the guerillas  
Pills, for the trills

Ai-ai-ai, Maria  
Ai-ai-ai, me-love  
Ai-ai-ai, Dolor?s  
Ai-ai-ai enough, of nothing

Nothing  
Nothing  
Nothing  
Nothing, this is a life of nothing

Nothing, the Bee Gees  
No one
