The road is long with a many a winding turn  
That leads us to who knows where  
who knows where.

But I'm strong  
strong enough to carry him

-  
He ain't heavy  
he's my brother.

So one we go  
his welfare is my concern

No burden is he to bear  
we'll get there.  
For I know he would not encumber me

-  
He ain't heavy  
he's my brother.  
If I'm laden at all I'm just laden with sadness

That's everyone's heart isn't filled with the gladness  
Of love for one another.  
It's a long  
long road from which there is no return

While we're on the way to there  
why not share?  
Yes  
and the load  
the load does not weigh me down  
down at all

-  
He ain't heavy  
he's my brother.

He ain't heavy  
he's my brother

He ain't heavy  
he ain't heavy  
he's my brother
