I don't want to make a habit of this  
But seeing you is like getting a fix  
Everytime I kid myself  
"I'll never do it again"

Defenition of love on a cliff  
A lemming has no alternative  
I wanna die in your arms  
That's my suicide wish

It's only 13 hours  
Till I leave the ground  
And I may never come down again  
So will you meet me there  
On a ride somewhere?  
Just turn left at the sun before it sets  
Let's go naked  
Would you dare?

You  
You send me flying  
You send me flying  
You send me flying  
You're knocking me over

You  
You send me flying  
You send me flying  
You send me flying  
Flying  
Over the moon for joy

I don't wanna make a fool of myself  
'Specially since you're with someone else  
Outwardly demure  
I would die for you

You'll forgive my inclination to tell  
I threw my wishes down your wishing well  
I want you know  
In a non too subtle way

You want me too?

So will you meet me there  
On a ride somewhere?  
Just turn right at the moon before it moves  
Let's go naked  
Would you dare?

You  
You send me flying  
You send me flying  
You send me flying  
You're knocking me over

You  
You send me flying  
You send me flying  
You send me flying  
Flying  
Over the moon for joy

You send me flying  
You send me flying  
You send me flying

You  
You send me flying  
You send me flying  
You send me flying  
You're knocking me over

You  
You send me flying  
You send me flying  
You send me flying  
Flying  
Over the moon for joy

Definition of love on a cliff  
A lemming has no alternative  
I wanna die in your arms  
That's my suicide wish
