Life's like this  
And that's the way it is

'Cause life's like this  
If it's the way it is

Chill out, what you yellin' for?  
Lay back, it's all been done before  
And if you could only let it be  
You will see

I like you the way you are  
When we're drivin' in my car  
And you're talkin' to me one-on-one  
But you become

Somebody else around everyone else  
You're watchin' your back like you can't relax  
You're tryin' to be cool, you look like a fool to me

Tell me, why'd you have to go  
And make things so complicated?  
I see the way you're actin' like you're somebody else  
Gets me frustrated

Life's like this and  
And you fall and you crawl and you break  
And you take what you get and you turn it into honesty  
And promise me I'm never gonna find you fakin', no no  
no

You come over unannounced  
Dressed up like you're somethin' else  
Where you are and where it's at you see  
You're makin' me

Laugh out when you strike a pose  
Take off all your preppy clothes  
You know you're not foolin' anyone  
When you become

Somebody else around everyone else

You're watchin' your back like you can't relax  
You're tryin' to be cool, you look like a fool to me

Tell me, why'd you have to go  
And make things so complicated?  
I see the way you're actin' like you're somebody else  
Gets me frustrated

Life's like this and  
And you fall and you crawl and you break  
And you take what you get and you turn it into honesty  
And promise me I'm never gonna find you fakin', no no  
no

No no, no no  
No no, no no  
No no, no no  
No no, no no  
No no

Chill out, what you yellin' for?  
Lay back, it's all been done before  
And if you could only let it be  
You will see

Somebody else around everyone else  
You're watchin' your back like you can't relax  
You're tryin' to be cool, you look like a fool to me

Tell me, why'd you have to go

Gets me frustrated

Life's like this and  
And you fall and you crawl and you break  
And you take what you get and you turn it into honesty  
And promise me I'm never gonna find you fakin', woah  
woah

Why'd you have to go  
And make things so complicated?  
I see the way you're actin' like you're somebody else  
Gets me frustrated

Life's like this and  
And you fall and you crawl and you break
