I'm comin' up so you better you better get this party started

I'm comin' up so you better you better get this party started

Get this party started on a Saturday night Everybody's waitin for me to arrive

Sendin' out the message to all of my friends

We'll be lookin flashy in my Mercedes Benz

I got lotsa style, got my gold diamond rings

I can go for miles if you know what I mean

I'm comin' up so you better you better get this party started

I'm comin' up so you better you better get this party started

Pumpin up the volume, breakin down to the beat Cruisin' through the west side

We'll be checkin' the scene

Boulevard is freakin' as I'm comin' up fast

l'll be burnin' rubber, you'll be kissin' my ass

Pull up to the bumper, get out of the car

License plate says Stunner #1 Superstar

I'm comin' up so you better you better get this party started

I'm comin' up so you better you better get this party started

Get this party started

Makin my connection as I enter the room

Everybody's chillin as I set up the groove

Pumpin' up the volume with this brand new beat

Everybody's dancin and their dancin for me

I'm your operator, you can call anytime

I'll be your connection to the party line

I'm comin' up so you better you better get this party started

I'm comin' up so you better you better get this party started

I'm comin' up so you better you better get this party started

I'm comin' up so you better you better get this party started

Get this party started

Get this party started right now Get this party started Get this party started Get this party started right now
