Let me tell you about a girl I know,
She's my one and I love her so.
'cause every morning when the sun comes up,
She brings me coffee in my favorite cup.

That's why I know, yes I know,
Hallelujah I just love her so.

When I'm in trouble and I have no friends
I know she'll be with me until the end
And everybody asks me how I know
I smile at them and say: "She told me so"

That's why I know, yes I know,
Hallelujah I just love her so.

If I call her on the telephone,

She says: come on over honey, cause I'm all alone.
By the time I count from one to four,
There's my baby on my door.
In the evening when the sun goes down
And there ain't nobody else around,
She kisses me and then she holds me tight.
She says: "Dicky, baby, everything is alright."

That's why I know, that's why I know
Hallelujah I just love her so.

Repeat 2nd part

Hallelujah I just love her so,
Hallelujah I just love that chick so
