I got a real boss car  
Makes all the others look sick  
It's a brand new Dodge Newport 426

I got a  
And a four speed on the floor  
And if you ever choose me  
Well, you'll never ask for more

Cause it's the scavenger (yeah)  
Yeah, the scavenger (yeah)  
I said it goes, it goes, it goes

Well, I shut down the in their 409  
I was halfway through the quarter  
And they were still on the line

Then they tried their Stingray  
We were racing just for kicks  
But all they say was the  
Tail lights on my 426

Cause it's the scavenger (yeah)  
Yeah, the scavenger (yeah)  
I said it's mean, it's mean  
It's mean, mean, mean, yeah

So if you go dragging  
And you got a hot car  
Try me if you wanna  
But you won't get far

You'll think you're in reverse  
And it might even make you sick  
When the slicks start smoking  
On my 426

Cause it's the scavenger (yeah)  
Yeah, the scavenger (yeah)  
Cause you know it's bad, it's bad  
It's bad, bad, bad, yeah

Come on, baby  
Bad car, it's a very bad car  
Mmm, yeah
