Last night my little girl came to my bedroom I heard  
her whisper softly from the door  
Daddy I can't sleep cause I miss mama does mama  
miss me like she did before  
I took her in my arms and then I told her darling your  
mama misses you the same  
But little girls and daddys cry with teardrops angels cry  
with roses and with rain  
Angels cry roses and rain angels don't know any pain  
So darling when you hear your mama's name think of  
angels roses and rain and rain  
Angels roses and rain  
[ steel ]  
This morning she was playing in the kitchen then she  
took her doll and went outside  
I watched her as she walked among the roses I saw a  
little sadness in her eyes  
But then I heard a raindrop on the window and softly as  
the cloud that moved above  
My little girl picked up her doll and whispered that's the  
way my mama sends her love  
Angels cry roses and rain...  
Angels cry roses and rain...
