Ashes of love cold as ice you made the debt I'll pay the price

Our love is gone there's no doubt ashes of love the flames burned out

[steel]

The love light that shines in your eyes has gone out to my surprise

We said goodbye my heart bled I can't revive your love is dead

Ashes of love...

[steel - fiddle]

I trusted dear our love would stand your every wish was my command

My heart tells me I must forget I loved you then I love you yet

Ashes of love...

Ashes of love...
