I told Mary about us I told her about our great sin  
Mary cried and forgave me and Mary took me back  
again  
Said if I wanted my freedom I could be free evermore  
But I don't wanna be and I don't wanna see Mary cry  
anymore  
Oh devil woman devil woman let go of me  
Devil woman let me beand leave me alone I wanna go  
home

Mary is waitin' and weepin' down in her shack by the  
sea  
Even after I've hurt her Mary's still in love with me  
Devil woman it's over trapped no more by your charms  
Yes I don't wanna stay I wanna get away woman let go  
of my arm  
Oh devil woman...

Devil woman you're evil like the dark coral reef  
Like the winds that bring high tide you bring sorrow  
and grief  
You made me ashamed to face Mary I barely had the  
strenght to tell  
Skies are not so black Mary took me back Mary has  
broken your spell  
Oh devil woman...

Running alone by the seashore running as fast as I can  
Even the seagulls are happy glad I'm coming home  
again  
Never again will I ever cause another tear to fall  
Down the beach I see what belongs to me the one I  
want most of all  
Oh devil woman devil woman let go of me  
Devil woman let me beand leave me alone I'm going  
back home
