Saw your picture in the paper and I see you've married
good
And I know that he can give you all the things I never
could
But I know that he won't give you what you need most
of all
Well the door is always open and the light's on in the
hall
Yes the door is always open and the light's on in the
hall
And you know that I'll be waiting if you ever come to
call
[steel]
When night falls on that mansion and you're lying in his
bed
And he begs you for attention will you think of me
instead
And when he reaches up to touch you is your face
turned toward the wall
Well the door is always open and the light's on in the
hall
Yes the door is always open...
Yes the door is always open...
