Everybody's reaching out for someone everybody's  
knocking at some door  
And long before I ever found you you're the one that I  
was reaching for

Just like the trees along the river bend lift up the  
branches to the sun above  
We spent our lifetimes reaching for a friend cause  
everybody reach someone to love  
And everybody's reaching out...

I wanted you since the day my life began  
I've heard your footsteps running just beyond my mind  
Ever since that moment I've been reaching for your  
hand  
Hoping you'd be reaching out for mine  
Everybody's reaching out...  
Everybody's reaching out...
